**LOCAL MEDICAL PROFESSIONALS AND KFOR CONDUCT
SUCCESSFUL MEDICAL CLINIC IN SUSICE STRPCE**

CAMP BONDSTEEL, Kosovo— Multi-National Brigade (East) medical personnel and local medical personnel conducted a Medical Civilian Assistance Program mission on Monday and Tuesday, in the community of Susice Strpce.

Over half of the citizens of Susice Strpce, received free medical and dental care at the elementary school.

Treatment was not the main emphasis, according to 1st Lt. Laurie Godin, medical operations officer for MNB(E). Coaching, mentoring and training is the goal of this mission. “It’s more about learning from each other than treating”, said Godin.
